ANYONE FOR TENNIS?

Residents who love a game of tennis will now love that three tennis courts in the Camden Local Government Area are available free of charge for use during daylight hours.

Mayor of Camden, Cr Lara Symkowiak said there is a great range of facilities in our Local Government Area (LGA) for tennis enthusiasts and is pleased that a number of these facilities have now been made free for Camden residents to enjoy.

“Council is committed to providing quality sporting facilities to our community and offers both hard court and synthetic grass tennis courts that are all floodlit for the convenience of our residents.”

“It is great that our residents can now enjoy a number of these facilities for free during daylight hours. As the weather warms up, it is an ideal time to get out and about and enjoy the range of fantastic sporting and recreational facilities across our LGA.” Cr Symkowiak said.

Tennis courts at the following locations are now open and free for public use during daylight hours on a first come, first served basis. Fees apply for tennis coaches who can call Council’s Recreation Team on 4645 5045 to make a booking.
