Funding available for community events

Applications are now open for the latest round of Camden Council's Community Sponsorship Program.

The program will provide financial support to local events or activities that will benefit the community between January and June next year.

Mayor Lara Symkowiak said the sponsorship program is aimed to encourage community participation throughout the Camden LGA.

"The sponsorship program is one way that Council supports the efforts of individuals and organisations to activate and engage our residents," Cr Symkowiak said.

"It is great to see the number of events and activities run by community organisations increase each year and we are proud to support them," she said.

Council receives applications for sponsorship assistance twice a year and all applications are assessed by the Sponsorship Allocation Committee using set guidelines and criteria. Applications are now open and will close on Monday 1 October.
