- 52.1.2 any benefit in favour of 2 or more persons is for the benefit of them jointly and each of them individually.

## **53 No fetter**

- 53.1 Nothing in this Agreement shall be construed as requiring Council to do anything that would cause it to be in breach of any of its obligations at law,

and without limitation, nothing shall be construed as limiting or fettering in any way the exercise of any statutory discretion or duty.

## **54 Representations and Warranties**

- 54.1 The Parties represent and warrant that they have power to enter into this Agreement and comply with their obligations under the Agreement and that entry into this Agreement will not result in the breach of any law.

## **55 Severability**

- 55.1 If a clause or part of a clause of this Agreement can be read in a way that makes it illegal, unenforceable or invalid, but can also be read in a way that makes it legal, enforceable and valid, it is to be read in the latter way.
- 55.2 If any clause or part of a clause is illegal, unenforceable or invalid, that clause or part is to be treated as removed from this Agreement, but the rest of this Agreement is not affected.

## **56 Modification**

- 56.1 No modification of this Agreement will be of any force or effect unless it is in writing and signed by the Parties to this Agreement.

## **57 Waiver**

- 57.1 The fact that a Party fails to do, or delays in doing, something the Party is entitled to do under this Agreement, does not amount to a waiver of any obligation of, or breach of obligation by, another Party.
- 57.2 A waiver by a Party is only effective if it is in writing. A written waiver by a Party is only effective in relation to the particular obligation or breach in respect of which it is given.
- 57.3 It is not to be taken as an implied waiver of any other obligation or breach or as an implied waiver of that obligation or breach in relation to any other occasion.

**Taxable Supply** has the meaning given by the GST Law excluding (except where expressly agreed otherwise) a supply in respect of which the supplier chooses to apply the Margin Scheme in working out the amount of GST on that supply.

- 58.2 Subject to clause 58.4, if GST is payable on a Taxable Supply made under, by reference to or in connection with this Agreement, the Party providing the Consideration for that Taxable Supply is to also pay the GST Amount as additional Consideration.
- 58.3 Clause 58.2 does not apply to the extent that the Consideration for the Taxable Supply is expressly stated in this Agreement to be GST inclusive.
- 58.4 No additional amount shall be payable by the Council under clause 58.2 unless, and only to the extent that, the Council (acting reasonably and in accordance with the GST Law) determines that it is entitled to an Input Tax Credit for its acquisition of the Taxable Supply giving rise to the liability to pay GST.
- 58.5 If there are Supplies for Consideration which is not Consideration expressed as an amount of Money under this Agreement by one Party to the other Party that are not subject to Division 82 of the *A New Tax System (Goods and Services Tax) Act 1999*, the Parties agree:
- 58.5.1 to negotiate in good faith to agree the GST inclusive market value of those Supplies prior to issuing Tax Invoices in respect of those Supplies;
- 58.5.2 that any amounts payable by the Parties in accordance with clause 58.2 (as limited by clause 58.4) to each other in respect of those Supplies will be set off against each other to the extent that they are equivalent in amount.
- 58.6 No payment of any amount pursuant to this clause 58, and no payment of the GST Amount where the Consideration for the Taxable Supply is expressly agreed to be GST inclusive, is required until the supplier has provided a Tax Invoice or Adjustment Note as the case may be to the recipient.
- 58.7 Any reference in the calculation of Consideration or of any indemnity, reimbursement or similar amount to a cost, expense or other liability incurred by a party, is to exclude the amount of any Input Tax Credit entitlement of that party in relation to the relevant cost, expense or other liability.
- 58.8 This clause continues to apply after expiration or termination of this Agreement.

### **Description of Proposed Development**

The Draft Deed of Variation applies to the Development the subject of the Planning Agreement

### **Summary of Objectives, Nature and Effect of the Draft Deed of Variation**

#### **Objectives of Draft Deed of Variation**

The objective of the Draft Deed is to amend the Planning Agreement to provide for:

- the embellishment and dedication of additional open space and at no cost to Council. This will increase the size of the Sports Park from 5.8ha to 10.44ha, in the south-central part of the Oran Park precinct (Stage E),
- amendment to the timing of dedication of the Sports Park; and
- certain requirements in respect of the Sports Park to be met before it is dedicated.

The executed Planning Agreement nominates the Sports Park as 5.8ha which is to include the provision of multipurpose fields (hockey, rugby league, rugby union, soccer), 6 netball/tennis courts, parking, 4 practice nets and amenities and clubroom (as set out in the specifications for the in the relevant contributions plan).

The 5.8ha site has been found to provide insufficient space to accommodate all the required sport/recreation facilities along with the necessary circulation space and suitable separation between the different uses. Accordingly the Parties seek to amend the Planning Agreement to include the additional land for the Sports Park to increase the size to 10.44ha which will incorporate double playing fields, 10 hardcourts including 2 multi-purpose courts and 2 clubhouse/amenities buildings.

The Draft Deed amends the existing Development Contributions (Schedule 3) provided under the Planning Agreement, in respect to the embellishment and dedication of this additional land for the 10.44 ha Sports Park.

The Draft Deed further includes additional clause 9A requiring remediation of that Sports Park, in accordance with Development Consent 227/2016, within 10 years of the date the embellishment work on the park is completed and before the Sports Park is dedicated to Council.

The Draft Deed further includes a requirement for a lease to be granted to the Council and the registrable form of the lease prepared and entered into to enable the Council's use of the Sports Park by the Council and members of the public.

The overall open space to be provided, as amended by the Draft Deed is shown in the plan below:
